"Pledged to industrial preparedness for the national defense of the United States"

Dear American Patriots:

As of 1965, the Christian States Party officially changes its Name to the Christian Party of America and its address from Wheaton, Maryland, to that of P.O. Box 6700, Fort Davis Station, Washington, D.C. 20020. Because it is chartered as an international Christian political movement to set up Christian nationalistic parties throughout the world to fight and defeat international Communism by whatever means possible, it is also to be known as the International Christian Party and its members as Christian Mationalists. From 1961 to 1964, this movement was not open to the general public because it was more important to verify by military intelligence and analysis who Communists are and what they are really up to. Some of the brains behind our secret activities included myself (I.Q. was supposedly rated "beyond scientific measurement" in 1961), Kextremely unorthodox, but shrewd in military intelligence work), (retired Pentagon official with an Einstein type who had his wife and family butchered by a band I.Q.), an ex-Commander for Gen. of Communist soldiers during the Spanish Civil War, an advertising executive, and other people who are strongly anti-Communist and very intelligent. Two of our agents of the American Counter Intelligence Agency we set up cornered a secretary from C.I.Al in 1963, who stated that C.I.A. secretly rated our group as the deadliest anti-Communist movement anywhere in the world because of our secret May 31, action which would have overthrown the Iron Curtain in 1961 if Congress had backed our plan and because of other secret activities we had engineered against Communist intelligence, etc. Our membership was secret and the Secret Service was lucky to meet with even four of the American Counter Intelligence Agency last year in 1963.

Some of the material we gathered from a tricked Russian ambassador and other sources is too sickening ever to be told to the public. Included in the confidential reports was information on how the Kremlin leaders will "liquidate" all Megroes in America if their front men posing as champions of "Civil Rights" can trick America into a socialist dictatorship to be backed up by the arrival of English-speaking Russian soldiers. The Red Chinese plan includes the massacre of from sixty to over a hundred million Americans after the invasion over the Bering Straits if Moscow and Peiping order it. Another of the reports listed one hundred American leaders, most of them in Government and including one Senator, as being the "100 Columns" of the Communist Party, the most secret branch of their entire network in America. These traitors to our nation are to pull behind the scenes manuvering to get Congress to gradually pass a series of laws amounting to nothing less than disguised socialistic dictatorship. We will sell to the public the shocking, top secret manual of the Communist' Party called "Brain Mashing" which shows their plan how to set up a "Polit ical & Religious Thought Control Police" so cleverly under existing laws that the

naive public will never ten recognize the disguised Sov. t Secret Police operating in America. Two agents of the A.C.I.A. risked their necks to confirm that the manual "Brain Vashing" is on the level and that its plan has already been initiated to establish a secret Red Gestapo in Sleeping America. When Canadian Intelligence at Flesherton, Ontario, Canada, reported about this secret Red Gestapo being organized in North America without any newspapers or public groups knowing about it. We had to investigate and prove or disprove to ourselves this charge. As far as we are concerned, the two reports from our agents justified our public release of this document at \$1.00 a copy.

- 3. The Filgrim Torch, a monthly magazine edited by a former Communist Party leader, who became a Christian convert and later on exposed key sections of Red plans for the take-over of America. This fearless publication is 25¢ for a sample copy.
- 4. The Verman Report \$2.00, official Federal document on the hidden hand in the Russian Revolution with notes by Kenneth Goff, ex-Communist Party leader turned Christian.

- 17. Report on whether so-called Protocols of the Learned El s of Zion are genuine or pure propaganda set up by Czarist Secret Police to harm religious relations between Christians and Jews. This report gives no final conclusion, merely conflicting testimonies on the Protocals. Even if Protocals were genuine, Rightists should not be anti-Semitic as most Jews do not have any involvement or even knowledge of any sinister anti-Christian conspiracy. The Germans had their Mazi leaders and every race including our American Negroes have their fanatics such as the Black Muslims. Races or religions should never be branded as all evil just because some of their people cracked up and became religious or political fanatics who no longer can stand sound reason. As Christians, we cannot condemn the Jewish people, even if it is true that a few misguided leaders imagined they had more power than they actually possess and think they can permanently damage Christian civilization. If anti-Christian Jewish conspirators do exist, they should be socially and morally ostracized by the entire Jewish world so that anti-Semiticism can never be effectively reborn in the world. Anti-Semiticism is no good for Christianity. We should not be blind to enemies if enemies really exist and are not merely imagined, but Christ taught to win over enemies of Christianity with love and understanding rather than blind hatred and stupidity. Report is 25¢.
- 18. A Stranger Appears Before The United Nations, a radio message by Paul Harvey in 1950. Text is imperfect as only remaining copy had typographical errors, but article is very interesting and poses the question, "If Christ did reappear on earth, who would report lt?" Copies are 25¢.
- 19. Copies of ads our group ran in 1963 to prove American newspapers censor news from the people. The Secret Service, F.B.I., and other agencies of the Government along with certain newspapers saw the ads, but the Government couldn't charge fradulent advertising and newspapers felt Americans should not be told about the Red conspiracy, 25¢.
- 20. Copies of our proposed Plebiscite Amendment to the U.S. Constitution, 25¢.
- 21. Copies of photostats that we can give Americans \$500 tax refund if in Congress, 25¢.
- 22. Official political manual of Christian Party of America, \$2.00.
- 23. Official military manual of Christian Party of America, \$1.00.
- 24. Official report proving scientifically a real "miracle of God," \$1.00.
- 25. Address by at St. Matthew's Cathedral where President Kennedy's funeral was held. Audience gave standing ovation after address on Christianity, 25¢.

April 26, 1965

Dear Mr. Hoover:

The enclosed New Democratic 23rd Psalm may be a joke, but it illustrates a truth and that truth is that America is rapidly descending into a Communist state philosophy.

It is a joke on the Government that its own corruption and incompetence has caused it to fall into the most complex political-military phalanx trap ever seen in American history. I have all government opposition to my political organization checkmated by such a clever power structure that no one in the Government is brilliant enough to get the Government out of the power ambush it fell into. Now I think I'll show you why it was suicide for the government ever to tangle with me.

The first rap was 1958. I was shrewd enough to analyze Russia was going to start World War Ill if she could in 1959. I directly interfered with Government policy on three counts. First, when President Eisenhower was going to disband von Braun's rocket team in 1958. I sent a deliberately provocative letter to the Pentagon Generals who were trying to save von Braun from the stupidity of Eisenhower. I knew the involved Pentagon military would be secretly pleased to show this letter to Fisenhower whose stupidity in the Balkan strategy in WWII was openly mentioned. Knowing Fisenhower's character, I calculated he would get mad as a hornet, let von Braun's team remain intact and then secretly plan how he could crucify this young S.O.B. who put him on the spot over von Braun. Von Braun later succeeded with his rockets when the Navy and Air Force missile programs fell flat on their face. I knew von Braun was America's best hope against the Sputnik panic that was mounting and had to be headed off or Russia would judge the right psychological time had come to march over the terrified Nato nations, with a suddenly "neutralist" Asia, Middle East, and Latin America. Russia was mounting a psychological warfare campaign which would finally grip the world like the French Reign of Terror neutralized all would be opponents in revolutionary France. Unless the U.S. achieved a rocket success, the more perfect for of Russia would have caused Khrushchev to launch World War 111 over the 1881981 spot-Ber 10. raged officials (Exe's boys) called up Culver Hilitary Academy to ask them to shut up this little S.O.B. I was very pleased I had succeeded in my first objective.

Ly second objective was to force John Foster bulles into a military stand with Formosa that would discourage the planned Quemoy Crisis and invasion of Formosa 1 figured was coming. I deliberately sent out a grandelent letter addressed to the formosa Government saying that since the U.S. Government was se wasn't going to defend Formosa, representatives for a proposed independent defense alliance for soin would shortly arrive at lainer to begin regotiations. I know the letter would be intercepted by the U.S. Soverment, leed, and never forwarded to Formess. eccuse of the bit about the copresentatives shortly coming to Taiwan, it would force the hand of John Foster Julies. Then I heard over the radio that John Foster Bulles had suddealy dropped a conference in Europe and alow directly to Formose to get up the rilitary agreement someosa had become for to save her from coming invasion but had not been given before. Cute trick, but the curder threat, threat of a second, permanent hidner, and murder by certain recret officials of the U.S. Acqublic was not a cute trick. They figured because the threats fore oral. I could never prove anything in court. They never realized I would be clover enough to figure out by taking truth serum before witnesses for the newscapers. I could prove that I was honestly reporting the oral murder threat on behalf of the U.S. Republic. Now if I was income and imagined the murder threat in 1, 1, there acoble would never have to fear taking truth serum about it to prove its absurdity. How these people in 1965 are openly named, they will be uttorly stricken with four because the threats were really issued and they can't dare oronly take truth sorum to disprove it.'

After my testimony about the nurder threat in 1990 is released and the accused cannot take truth serum to disprove it, (I foliad leval insanity, but was really same and seeing in the U.S. Lepublic believed in police state tactice), this nation will

Let's speak realistically. I am so hardened a man that no threats can frighten ne, no tactic can be so ruthless that I cannot be more muthless than it, and from this hour forth. I hold the key to the survival or death of the Government and the nation. The recent A.C.I.A. Report (11 pages) think exaggerates what happened on May 51 so that Soviet intelligence will be intimidated by an image of the Lay 51 group which they can't really shake. The rest of the A.C.I.A. Report is very accurate except for the Jewish masterminds who supplied the funds to Leunch Communism. They still emist as a secret clique among certain Jewish rabbis, but they lost control of the Frankenstoin they built. Red China is the miscalculation. The racial line of the Chinese held and this in turn has too effectively broken true Jewish control over ussian Communicat though 100 Jews are Russian Generals and Communicat will shortly turn into an Acian war to wipe out America. and ... od China plans to defeat theris ofter they jointly concuer the world - but not until them. The Chinese needle are the discalculation of the Jewish inctitators behind the birth of Communism. Now a coaless Gentile Communism has been created in Asia which will wive out the world Jewish Lace unless they recognize their Frankenstein no longer accepts their front year as masters. I was un with a lot of crile Chinese. I know what the latent Chinese traits are.

That is Communism? It is the vomit of civilization after it thought it no longer needed the restraint or practice of religious belief in God. It is the vomit of a sich civilization whose so called Christians bled the laborars of their rightful wages and me paid them starvation wages until religious fanctics among the Java recognized this as the situation to overthrow Christianity by creating Communism forced the Christianisation of labor conditions and wages because our so called Christian leaders became to recognize either they made concessions or the Communist michtners would eventually seine their people with its political rademas and revolt arainst reality.

Did I throw you off balance by the 1963 "Government newsletters" until I bought the time to build up the real outfit? Now you wouldn't stand the chance of a snowball in hell of beating my group. That Chester trick hept you watching instead of acting until it was too late for you. Did you underestimate me and fall for the displays of supposed stupidity, etc?

for you to fight because I understood power and how to create it, do you think the Communists would have a great fighting chance against me if I manuvered into position arainst them like I did against all would-be opposition in Government? By now you realize I am the most ruthless mastermind in America, capable, and a cut throat. It takes fire to fight the Communist fire, and I am ruthless enough to understand clearly all their ruthless strategies and I can beat them at their own game on any level. OFFICIAL REPORT
American Counter Intelligence Agency

Feb. 24, 1965

"We are at war with the Communists, and the sooner every red-blooded American realizes this, the safer we will be." (J. Edgar Hoover, Director of the F.B.I., December 7, 1961)

The F.B.I. and other intelligence agencies of the Government cannot tell the public the direct truth because politicians are their bosses and won't let them talk openly. The American Counter Intelligence Agency, however, is registered with the F.B.I. & C.I.A. for intelligence work, but has a freer hand than they, because we are not a part of the Government.

Sir Winston Churchill in 1920, based upon Scotland Yard intelligence reports, U.S and French intelligence reports, openly denounced the Communist Revolution in Russia as an international Jewish conspiracy. The Jewish press of England was stunned by his statements, but dared not call him "anti-Semitic" as he was a powerful political leader, so labelled his statements as "misinformed". According to official U.S. Government intelligence reports suppressed from the public for political reasons, New York Jewish bankers such as f, of Kuhn & Loeb, supplied the Jew Leon Trotsky with \$46,000,000 to take 276 men, mostly Jews, from New York City, who became the majority of leaders of the Red Revolution, and shockingly Russia was ruled by the direct domination of a majority of American leaders, mostly Jews and a few U.S. Negroes.

What "Aryan" Nazism is to decent Gentiles, a political perversion of racial loyalty, "Jewish" Communism is to decent Jews, a political perversion of racial loyalty. However, even unknown to most Jewish Communists, the small core of masterminds behind Communism plan to slaughter up to 50% of all Jews in the world to "purify" the "Jewish Race" for the "world Jewish dictatorship", once established. Those Jewish masterminds supplied Adolf Hitler with \$10,000,000 in secret funds in 1932, so he could win national power in Germany, mass slaughter Jews and terrify the rest of the world Jewish population into support of "Jewish" Communism. One of the Jewish leaders in on the conspiracy to betray his race to anti-Semitics so Jews would be stamped into the Communist ranks was the Jewish Rabbi, He is known in Jewish circles for his propaganda statement intended to seduce decent Jews and arm the anti-Semitics with the ammo to attack decent Jews and drive them into the Red ranks, his quote being, "Some call it Communism, I call it Judaism."

These same Jewish II tics, though clever and deptive as hell itself to hide their consuracy, plan to wipe out the Negro Race in America after their Red fronts take over America. They feel the write Gentiles will make better slaves for them and the Negroes could "encanger" Jewish "racial superiority" by potential intermarriage if their plans misfire. As one American industrialist testified to us, "Those Communists are clever as hell. Red diplomats once told me they would take over the U.S. Republic by using the naive Negro race as their front, and after Russian soldiers reinforce the American socialist regime, the Negroes will be liquidated as too inferior for a Communist Society. And those Red bastards told me I couldn't inform American newspapers because they are too comput to report the truth, and even if it got into print, Communist front men would make sure the dumb American public thought I was some lunatic dreaming up this interview. They said it was futile to fight them, so why not join them?"

The interview with the American industrialist who was written up by the Vatican newspaper as making one of the greatest contributions to the advance of western civilization of any man since Christ, indicates a major shift in the original Red masterplan now going into its final stages for the world take-over. The original plan is indicated by the letter sent to Karl Marx (a Jew) by (a Jew): "The Jew sh people as a whole will be its own Messiah. It will attain world domination by mixing the races and the abolition of nations." However, Communism is not a Jewish conspiracy, but a conspiracy of some insane Jewish "super-patriots" - Jewish version of Aryan "Nazis". Anti-Semitic groups in America have listed Admiral and Gen.
as Jews and part of the "secret Jewish government" to "take over
America". This is a smear tactic of dangerous Gentile propagandists. Admiral Rickover with his Polaris missile concept has blocked Russia from immediate future conquest of America. Gen. great American military leader who with his ruthless leadership of SAC made Russia afraid to invade America or start a "hot" World War III, though unofficially, this "cold war" is World War III in slow motion. These two Jewish leaders by their courage, dedication and patriotism should both be awarded the Congressional Medal of Honor, because without them , America would probably have already been defeated by Russia. Only intensely unjust Americans would want to become "anti-Semitic" and attack all Jews because some have disgraced the Jews the same as some of their forefathers crucified Christ because too many Jews were beginning to follow Christ and evil Jewish leaders felt their power challenged by a reformer - Christ.

Let the Catholic and Protestant churches be warned. "In fact, by going among the religious masses, we are for the first time able to bring our anti-religious ideas to them." - Earl Browder, Communist Party leader for 16 years.

The A.C.I.A. intercepted a Red report mentioning nearly 300 Communists in America had trained as Catholic priests in order to infiltrate the seminaries, publications, textbooks, and other sources of authority within the Roman Catholic Church. The Roman Catholic Church has been successfully deceived into the Communist line on race and a number of other issues. As The Worker (official Communist newspaper), Box 28, Madison Square Station, New York 10, N.Y., said in its February 16, 1965 issue: "....the Roman Catholic Church is not immonolithic!,it has within its forces for 'good' and 'evil', and....it is an international institution that is influenced by the world-wide swing to the Left." The only Catholic publication which completely exposes many key sections of Red strategy is Divine Love (\$1.00 per year), P.O. Box 24, Fresno 7, California.

We suggest a counter-propaganda program to discredit the atheistic nonsense of the Communists. It is a wise old Jewish saying which goes, "only foois are atheists." The Fatima miracle of 1917 was witnessed by up to 100,000 estimated people. Let Catholics view it as a miracle inspired by heaven. Let hard core Protestants view it as a deceptive miracle of hell to trick Christians into worship of Mary instead of Christ, but even atheists and Jews should be intelligent enough to recognize that when 100,000 people witness the sun apparently dropping from the sky as rain clouds suddenly part at the prophecied hour three peasant children predicted and mud puddles and rain soaked people are suddenly dried out, by God, This is a miracle; and a miracle, whether from heaven or hell, proves the supernatural in life and hence, God.

<u>Divine Love</u> has official Vatican material for all interested people who want to study Fatima. And the Christian Press of America, Box 6700, Ft. Davis Sta., Washington, D.C., will send for \$4.00, two scientific reports, complete with photographs, scientific documentation, etc., which positively prove two 20th century miracles of Christianity, one Protestant and one Catholic, which no doctor or scientist in the world can disprove. Only fools are atheists.

The Right Wing in America has two factions. One is against corrupt psuedo-democracy, but not competent, genuine democracy. The other faction is anti-democratic and conspires for national power against the despised "common people" under the slogan, "We want a republic, not a democracy". This latter faction forgets that true democracy in early Greece and in early German tribes produced a far more capable and great race than tyrannies can make out of its "subjects", slaves to the state power. A corrupt form of democracy such as the ancient Roman Republic had led to dictatorship as the only hope to overcome state corruption and imcompetence, and unless we kick corruption and incompetence out of the political system running the U.S. Republic, we will drift into a police state which will finally evolve into a Rightist or Leftist dictatorship.

Because the Left Wing of America is too successfully controlled by Red front men who can't be openly named as this is supposed to be "slander", even if true, a propaganda gimmick must be used, perhaps a little unethically, to beat down the Left Wing. The Left Wing hates to leave men free to live their lives according to their democratic will, so conspires to create a socialist dictatorship where the police state by bayonet and economic blackmail enforce all men to be subjects of the dictatorship, all in the name of "equal rights for all". The Left Wing acts in the name of "democracy", but is intensely anti-democratic in attitude and policy. Use this quote against the Left Wing which boasts of its "liberalism": "....Liberalism....in itself is nothing but the Semitic ideology....", Dr. Oscar Levy, in George Pitt-Rivers, The World Significance of the Russian Revolution, (Oxford, 1920, p. ix. Remember the Russian Revolution was hailed as a victory for "Liberalism"! Crucify Liberalism in America and instead create a democratic Right Wing, pushing the disguised Fascists and true anti-semitics off into a corner of unimportance.

Keys to the Soviet take-over of America are:

1. Use of "Civil Rights" to train the U.S. Republic to act as a police state and have the masses brainwashed into accepting the principles of a police state. Then America can easily slide into a social-ist dictatorship.

- 2. Assignment of Red agents to infiltrate the Catholic and Protestant churches to deceive Christian leaders into preaching disguised socialist doctrines such as the overthrow of states rights, only check to prevent the creation of a Federal dictatorship, intermarriage of the races, because Red experts have observed men who lose their loyalty to race end up braingashed with no lasting convictions or loyalties and are easy marks for the Red take over, and changing the translations of Bibles so Christ is made out to be a socialist in doctrine.
- 3. Use of the anti-religious, contempt of genius and the right to think attitude, and labelling patriotism as "extremism" attitude of American psychiatry which Sigmund Freud said was only a psuedo-science. However, it served as a "new philosophy of life" to discredit "sin" as a religious concept and replace Christianity by smearing it as "insane" when practiced.
- 4. Use of world peace fronts to back up the pacifist Left Wing of America every time the Right Wing is awakening America that it must become vastly stronger so America can't be invaded the present Red date planned for is about 1972 over the Bering Straits.
- 5. Smearing all anti-Communists as "Fascists", "anti-Semitics", "extremist fringe", etc., to keep the public suspicious of anti-Communism so it can't be mobilized to stop the Red conspiracy in America.
- 6. Trying to block the advance of Progressive Judaism which is evolving away from the Orthodox Talmud, which is the secret hate book for many Jewish equivalents of Gentile "anti-Semitics". Statements such as the rabbi teachings were above the Law of Moses and the Prophets enraged Christ, who called this kind of Jew, "Some say they are Jews, but they are of the Synagogue of Satan." Secret Talmud teachings included it was alright for Jews to race 3 year old Gentile girls, never be bound by any oaths to Gentiles, it "pleased" the Lord to see Gentiles swindled, and any Gentile or Jew exposing to the world the rabid teachings in the Talmud was to be immediately murdered under Talmud Law. No wonder Christ said, "You say your father was Abraham, but your father was the devil." Communism was triggered off by the insane fanaticism taught in the rigid, Orthodox Talmud, which taught hatred, suspicion, and not a "chosen race", but rather a "master race" theory as sickening as Hitler's super Aryan race propaganda.

If Judaism as a whole reforms back to the decent standards the Jewish reformer Christ attempted to show to them and Albert Einstein wrote that Jews should believe in the ideals of Christ, but not the fanatical superstition created afterwards by "meddling priests", there will be no reason for harsh feelings between Gentiles and Jews. If Orthodox Judaism falls before Progressive Judaism, Communism will lose its hard core Jewish fanatics and anti-Semitism will wither for lack of a convincing cause.

7. The book, <u>Guerrilla</u>, by Charles W. Thayer (60¢ paperback) published by Signet Books, 501 Madison Avenue, New York, New York 10022 is very brilliant and pinpoints the reasons why Communists or anti-Communists win in guerrilla warfare, which is the only shrewd way to fight a "hot" war when nuclear warfare is the only alternative. Otherwise Guerrilla warfare, not democratic elections have created a powerful Communist Empire. Elections are usually too slow for hot-blooded revolutionaries like Communists.

8. A few years ago, Doctor Milo McDonald, head of the American Education Association, said, "So-called progressive education and Communism are one."

The Communists started at Harvard by introducing Fabian Socialism as the "new economic creed" for America. This sick doctrine that free enterprise must be enslaved by a benevolent socialist state to promote the economy, spread as a sick infection into other colleges across America and into the U.S. Republic when Socialist indoctrinated students rose to Government career posts. Most Government officials have a very Socialist opinion of free enterprise due to their inferior economic education in colleges and this Socialist attitude expresses itself by stagnating free enterprise through incredible, incompetent, excessive Federal regulation and regimentation. One intercepted Communist report said that the Socialist agencies of the U.S. Republic were slowly destroying the desire of the people to create businesses and causing them to lose faith in free enterprise because the Socialists had made it so difficult to create business ventures. In the end, the Federal Socialist agencies would force the gradual conversion of America into a Socialist economic system, then true Communism.

9. The Reds have infiltrated the homo-sexual underworld of Washington, D.C. and use it for spies.

Jewish leadership was responsible for the birth of Communism. Therefore, Jews who wish to wash their hands of the blood of probably 80,000,000 humans, murdered under Communism, more than Hitler; the Roman Empire, and all other tyrannies combined, should become active anti-Communists.

The enclosed quote taken from the London Times, Sunday edition, April 4, 1920, clearly puts the blame for Communism where it is due. Quoting from "Conquer Whole World"" "JEWISH BOLSHEVIK BOASTS - WARSAW (received yesterday). The Polish Press reproduces a document found on the commander of a Bolshevik battalion, Sunder, who was killed in action. This document, written in Yiddish, throws a light on the clandestine Jew organization in Russia. The document is as follows:-

'Secret. -- To the President of the section of the International Jewish Alliance: The hour of our complete triumph approaches. We are on the eve of the conquest of the whole world. Our ancient dreams are being realized. Although until quite recently we were powerless, we are now able to triumph. We have won power in Russia. Our first plans have succeeded, but we must not forget that the Russians, although actually in our power, will never cease to be our mortal enemies.' ISOW HATRED.'

'We have taken everything from the Russian people. We have reduced to slavery our ancient masters. Against our enemies we must act with every brutality, and without pity. We must get into our power their best chiefs; we must sow hatred amongst the parties, and propagate civil war amongst the workmen and the rupal population.'

'We must work with all our forces, but with prudence. Let us everywhere and always proclaim the national policy of our Jewish nation. Let us fight for our immortal ideal.'

'(Signed) Central Committee of the Petrograd Section of the international Jewish Alliance.' - Wireless Press. Sunday Times, 4 Apr., 1920 --- London Times, 1920.

For those people who want to see actual examples of top secret Communist literature, Brain-Washing (S1.00), and Red Blueprint for the conquest of America (\$4.95), personally endorsed by Herbert Philbrick of <u>Led Three Lives</u>, are both available from the Christian Press of America, Box 6700, rt. Davis Sta., Washington, D.C. 20020.

To show America has press censorship so true democracy is impossible to practice since the people must know facts before they can run the Government, we ran four ads which, if fraudulent, would have been prosecuted by the Government. The ads were run under the name of our political group, then Christian States Party, now Christian Party of America, to help hide the existence of a full-fledged intelligence agency. If the ad on May 31, 1961, had been fraudulent, the Post Office would have prosecuted for postal fraud, the Federal Trade Commission for fraudulent advertising, the Justice Dept. (F.B.I.) for slander of the Government, and Congress openly denounce it. Government silence admitted the truth of the ads since newspapers who received these ads (branches of the Associated Press & U.P.I.) refused to investigate or report to the people, but just turned their copies over to the F.B.I. which was nervous as hell about the whole deal.

Quoting from the official book for the Christian Party of America, pages 19 & 20, and then our May 30 document, we tell the people the A.C.I.A. is the champion of truth and at 25¢ per copy from the Christian Press of America, this A.C.I.A. report should be sent to all Americans to awaken them to Communism and how to fight it and win. (Special Note - Timely Tips Magazine, 25¢ per copy, 721 N. Williams St., Paulding, Ohio, has over 10,000 circulation per month and is where our A.C.I.A. ads appeared.) We quote:

This ad we frankly hoped to create trouble with. Maybe the Post Office would try to take it into court that it was mail fraud and then when in court, we proved that the story was true by summoning members of Congress to testify under oath as to whether the story was true, they would have to commit perjury to deny the story, hence we would have it recorded on official public court records that the story of May 31, 1961, was no lie, but the truth. If nothing came from the Post Office to vindicate this story, then we wanted the newspapers to pick up this story and interrogate a highly nervous Congress whether the story was true. The story is true and we will repeat the story of May 31, 1961, until at last the leaders of Government break down their wall of attempted silence and admit before the nation our news release about May 31 is correct. I quote the October, 1963 issue of Timely Tips Mag.:

"Early May, 1961, 5 high Russian military commanders were killed in a plane sabotaged by the Russian underground as a test of security. May 27, Alexander Romanov flew off to Moscow as a "tourist" - actually to be set up as Czar of Russian while Kennedy and Khrushchev would be off in Vienna at a "peace conference". May 31, agents of the Christian States Party claimed in a lie that their group had been the ones who blew up the three micro-wave towers near Denver, Colorado just before. This combined with the dual the bats received by the F.B.I., Capitol Police, etc., that Government buildings were going to be blown up that night by them and biological warfare would be released against America if Congress did not meet forced a crash session of Congress that night hushed up from the newspapers. At this session, Congress was shown the authentic Declaration of War of Russia (6 pages) signed by Nikita Khrushchev and stolen from the Russian Embassy by a Hungarian Freedom Fire acting as our spy. The surrender of America would be demanded

in 1962 or 1963, once Red nuclear missiles were in place in Cuba, etc. After seeing this, an enraged Congress came one vote short of giving us the authority to take over command of the U.S. Armed Forces and demand the immediate surrender of the Kremlin to Alexander Romanov as Czar or Russia would be wiped off the face of the earth.

Send 25¢ for your copy of our historical 5 page ruse declaration war on May 30 to force the meeting of Congress on May 31. We slashed red tape by emergency means so Soviet intelligence would be caught asleep.

When we win national power in America, we will keep out of the fight, but will finance the ultra-secret Christian Slavic Royal Alliance (10 undergrounds in one) with two billion dollars to overthrow the Iron Curtain. This will be just payment to the Kremlin for violating our Monroe Doctrine in Cuba. Send 25ϕ - Christian States Party, P.O. Box 1402, Wheaton, Maryland."

July, 1963 issue: "Last August, 1962, Post Office tried unsuccessfully to cutlaw Christian States Party. Last fall, Mr. Henderson, "Comrade General" of the Red Army underground offered up to \$2,000,000 on behalf of the Russian Embassy if one of our men would betray from the Pentagon the defense zone maps of Nato so Russia can invade Nato in 1966. February 3, 1963, Secret Service on behalf of White House had a secret meeting with the Christian States Party. April, Russian Ambassador was tricked into discussing the planned Russian invasion of America in 1966 with one of our undercover agents. A secretary at C.!./ (Central Intelligence Agency of the U.S. Republic) informed us C.!.A. rates us as the deadliest anti-Communist organization in Western world. Send \$2.00 to reserve your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheaton, Maryland."

August, 1963 issue: "After five years of secret investigation by the founders of the Christian States Party, Communist security was smashed by us on January 2, 1963. On that day, "Comrade Girdy" talked in detail to one of our undercover agents who he thought had been sent by his Red superiors at the United Nations. He boasted how he was the 3rd top boss of the Washington Communist cell in the U.S. Republic. He had masterminded the dismissal of Gen. MacArthur from Korea in order to save Red China from potential defeat. He had brought Soviet agents into the psychiatric field so they could kidnap and brainwash deadly anti-Communist witnesses under a legal pretense evading police detection. He had arranged that the Pentagon never informed the American people that Nationalist China had once intercepted the "Peiping Communi que of 1949" which was the proposed 1965 invasion of America by 30,000,000 to 50,000,000 Red Chinese soldiers over the Bering Straits armed by Russia and backed up by the Russian Air Force. Support these ads and we will give you a monthly report on Communism in America and abroad. Send \$2.00 to reserve your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheaton, Maryland."

September, 1963 issue: "The Christian States Party has private headquarters in Washington, D.C., and is led by a board of trustees such as an ex-employee of the Wall Street Journal, the head of the War Map Department of the Pentagon during World War II, and one of the exfeur top secret soldiers who could have started World War III anytime by merely pressing the button!!

Me could issue 1 reports on Communism so exposive, some Government personnel think the public release of this material could touch off civil demonstrations, but we disagree. We think the extent of mational patriotism is so low in America, we believe it would be a waste of time and money to publish our reports we gathered from a 5 year secret investigation of the Communist Party here nationally. What American cares that Genimi Fursa of the Russian Embassy boasted to one of our secret agents that the F.B.I. is the laughing stock of the Reds because it appears to know practically nothing about the four independent Communist Parties in America operating under orders from Red bosses in the United Nations and the Russian Embassy in Washington, D.C.? Or that through the racial strife the Reds initiated in America, they think they could mobilize 74,000 members of a Negro Liberation Army underground to try and overthrow the Government "come the Revolution!"

Do Americans care that the true national debt of America in 1962 was over one trillion dollars (Federal, state, local governments, business loans, mortgages, and personal debts), or that all the businesses in 1962 made an estimated 12 billion less in net profit than the Government took in by taxation, or that America lets up tax pressure on business and labor?

Send S2.00 for your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheaton, Maryland."

"As of the morn g of May 30, 1961, war has been officially declared against the United States Republic. In preparation for this day, the Russian Imperial Movement has been working on germ warfare and inexpensive means of building small rockets on a mass scale. If the nation is not surrendered within 72 hours after 8:00 P.M. this day in Washington, D.C., the American people are to be attacked with such massive quantities of deadly biological agents as should wipe out 185,000,000 Americans. The reason why such complete annihilation is calculated upon rest on the following developments:

- 1. Perfection of means of complete and satisfactory delivery of biological agents as can be easily launched by the few utterly fanatical agents of the Russian Imperial Movement.
- 2. Development of a very virulent mold which when mass spread will rapidly kill most plant life (most farm crops) and turn rancid most food products which contain any moisture. Part of the pioneer efforts which made possible this development was under the brilliant institute research of Professor-Doctor Seigo Hosoya, many years ago in Japan. One of his scientific abstracts must have fallen into the hands of some naive G.I. in Japan or non-interested American scientist. In any case, when the Japanese manuscript laid in almost undisturbed dust in a secondhand American bookstore, one of the Imperialists accidently found it, became curious what the Japanese said, bought it, and by this means, the most advanced biological research techniques came into possession of the Russian Imperial Movement.
- 3. Mass breeding of the Goliath Snail was started, taking sample lots from a small area in Hawaii to start the biological stockpile. These snails are resistant to every kind of insecticide, breed in tremendous numbers, and possess the fiercest appetite of any insects for devouring every plant including all crops. The only hope to save the national farmland from them would be mass organized efforts at burning down all infected farm sections across America. But if the organizational power of the nation is destroyed through mass panic and chacs as numerous deadly diseases are released, these snails will multiply until every American dies of starvation. Do not forget the special mold will also be released at this time, destroying crops and rotting much of the food in grocery stores except for unopened canned goods and certain dry foods.
- 4. It is to remain secret what viruses, bacteria, rickettsia, perfect fungi, spirochetes, amebas, Leishman-Donovan bodies, trypanosomes, needle-worms (and maybe some other biological species you have never heard of before) are to be used, but before such utter and complete mass attack, your entire national health set-up will soon collapse. This means that your nation and people will vanish from the face of the earth. No nations will dare try help you as we possess an international network that has been in operation for 20 years now and exists in such places as Spain, France, Germany, Britain, and Latin America.

We, the Russian Imperial Movement, will be restored to Russia either by forcing your surrender and using your military might to join with our forces in Russia to overthrow the Communist Regime, or else, we will use your complete death as a nation as a military example of what will happen, to Russia if we are not promptly restored the national government.

We made a mistal once. We allowed the Commists to live. We should have slain every one of them like cattle. Within 3 years they plan to either overthrow the world or destroy it if it resists. We allowed a Frankenstein to be created. Either we destroy it or it destroys mankind. If you are so fanatical a nation as to resist us, we shall have no alternative, but without hesitation to destroy America.

We cannot regain the upper hand in Russia without your strength, and yet once we beat you and seize control of your nation, we have no alternative but to see that your republic is never restored. Your republic lies about U-2 flights, makes mockery of promises for liberation of Poland and Hungary (which once took you seriously), and is hostile to any existing governments which cross purposes with you (for example, you secretly supported Castro against Batista and now support anti-Castro forces against Castro.) Like a typical politician, you claim you have a code of honor, yet when profitable, you quickly change stands and sides. You have proven to the entire world you are cheap. You care for nothing but your own profit -- and your foreign aid is never given except for military reasons (keep the Reds out and your ally leader in power in every nation).

Your brand of fanatical republicanism and the brand of fanatical socialism called Communism are both going to be stopped right now before you destroy the world. You and the Red Russian Regime have no right to commit the rest of mankind to future death because you are both political fanatics.

The Czarist elements have tolerated your slanders about their "tyranny" long enough. We stood aside and gave you and the Communists a chance to prove what you claimed. You claimed economic wonders — and created fantastic taxation and reoccurring depressions, while the Communists claimed utopian freedom for all — and created the most oppressive regime in all human history.

These madmen political elements can no longer be tolerated. These wildeyed elements are going to be put into prison chains starting now! The Russian Czarist Throne will protect business, stand for human freedom, and create a sound social system throughout. The only way the mad elements created in Russia and America can be kept from preparing to destroy each other in massive world wars is going to be forced integration of the two races into one mighty, great nation and race beyond anything ever seen in history before.

In order to reduce your worry as to whether you will be a mere province of Russia, the permanent Prime Minister of the Czarist Throne will be an American who has proved quite competent, spent 11 years in military academies, and has tried to gain every political freedom and opportunity possible for his America. The Czar of Russia tolerates no rebellion, but admires the nerve of this person. This American was contacted by two of my Imperial agents because informed sources in the Polish liberation movement claimed he had inherited a very brilliant i.Q. from his mother whose I.Q. was privately rated among the very top in America.

me has his instructions. He knows what he must do in three days with only the help of his one assistant. He has pleaded that no massive call to revolution will be needed. He has begged that America be

spared the experience of massive bloodshed. I, the Czar of Russia, will give him from 10) A.M. to 8:00 P.M. on May 0 to gain the signed surrender of the United States Republic. If he does not gain this by 8:00 P.M., at 10:00 P.M. the call for massive national revolution will sound across America. If I have to go that far to gain my victory, I shall then have to depose him of his position as Prime Minister for the Russian imperial Movement, and will appoint a White Russian to his position whom I know can be trusted to carry out his mission. Cf course, this would mean that no American voice would be tolerated near the Russian Czarist Throne after that.

I am trying to be charitable about this situation, but do not resist or I shall forget my charity and possess permanent wrath towards the Americans until the day I die.

This American will have three days by his lonesome to prove he can handle a national situation as the Imperial Prime Minister or I will change my appointment and make all of my new officials men whose loyalty and ability have already been fully proven to me for some time. After three days, I will start to send key Imperialists to take over major positions in the American Government and coordinate our resources with that of the Imperialists in Russia.

I have deliberately told this American certain things while keeping him totally ignorant of other aspects of the Russian Imperial Movement. If you tried to stop the Russian Imperial Movement, he is too ignorant of the key names and you would not possess the time as my political friends will immediately inform me of any attempted conspiracy on his or your part.

Good-bye. Make your national decision now and forever stand by it.

On behalf of my loyal followers in the Russian Imperial Movement,

The real Czar of Russia

This was a ruse declaration of war to create an emergency session of Congress where a real Declaration of War of Nikita Khrushchev (6 pages) could be shown to Congress at the ideal time of May 31, to smash the Iron Curtin and end the Cold War. Sam Rayburn and some other key American leaders were secretly on our side from the beginning on, of this plot to prevent the Cold War from becoming a Communist victory or future nuclear shooting match. This ruse declaration had to sound like it authentically came from a dedicated, ruthless, royalist underground, hence the strong anti-Republic propaganda. If it didn't sound authentic it would have prematurely been recognized as a ruse and spoiled the timing of the plan.

Feb. 24, 1965

"We are at war with the Communists, and the sooner every red-blooded American realizes this, the safer we will be." (J. Edgar Hoover. Director of the F.B.I., December 7, 1961)

The F.B.I. and other intelligence agencies of the Government cannot tell the public the direct truth because politicians are their bosses and won't let them talk openly. The American Counter Intelligence Agency, however, is registered with the F.B.I. & C.I.A. for intelligence work, but has a freer hand than they, because we are not a part of the Government.

Sir Winston Churchill in 1920, based upon Scotland Yard intelligence reports, U.S and French intelligence reports, openly denounced the Communist Revolution in Russia as an international Jewish conspiracy. The Jewish press of England was stunned by his statements, but dared not call him "anti-Semitic" as he was a powerful political leader, so labelled his statements as "misinformed". According to official U.S. Government intelligence reports suppressed from the public for political reasons, New York Jewish bankers such as Jacof Schiff, of Kuhn & Loeb, supplied the Jew Leon Trotsky with \$46,000,000 to take 276 men, mostly Jews, from New York City, who became the majority of leaders of the Red Revolution, and shockingly Russia was ruled by the direct domination of a majority of American leaders, mostly Jews and a few U.S. Negroes.

What "Aryan" Nazism is to decent Gentiles, a political perversion of racial loyalty, "Jewish" Communism is to decent Jews, a political perversion of racial loyalty. However, even unknown to most Jewish Communists, the small core or masterminds behind Communism plan to slaughter up to 50% of all Jews in the world to "purify" the "Jewish Race" for the "world Jewish dictatorship", once established. Those Jewish masterminds supplied Adolf Hitler with \$10,000,000 in secret funds in 1932, so he could win national power in Germany, mass slaughter Jews and terrify the rest of the world Jewish population into support of "Jewish" Communism. One of the Jewish leaders in on the conspiracy to betray his race to anti-Semitics so Jews would be stampeded into, the Communist ranks was the Jewish Rabbi, Stephen Wise. He is known in Jewish circles for his propaganda statement intended to seduce decent Jews and arm the anti-Semitics with the ammo to attack decent Jews and drive them into the Red ranks, his quote being, "Some call it Communism, I call it Judaism."

おいしょいいい しょっかり

These same Jewic natics, though clever and ceptive as hell itself to hide their compiracy, plan to wipe out the Negro Race in America after their Red fronts take over America. They feel the white Gentiles will make better slaves for them and the Negroes could "endanger" Jewish "racial superiority" by potential intermarriage if their plans misfire. As one American industrialist testified to us, "Those Communists are clever as hell. Red diplomats once told me they would take over the U.S. Republic by using the naive Negro race as their front, and after Russian soldiers reinforce the American socialist regime, the Negroes will be liquidated as too inferior for a Communist Society. And those Red bastards told me I couldn't inform American newspapers because they are too corupt to report the truth, and even if it got into print, Communist front men would make sure the dumb American public thought I was some lunatic dreaming up this interview. They said it was futile to fight them, so why not join them?"

The interview with the American industrialist who was written up by the Vatican newspaper as making one of the greatest contributions to the advance of western civilization of any man since Christ, indicates a major shift in the original Red masterplan now going into its final stages for the world take-over. The original plan is indicated by the letter sent to Karl Marx (a Jew) by Baruch Levy (a Jew): "The Jewish people as a whole will be its own Messiah. It will attain world domination by mixing the races and the abolition of nations." However, Communism is not a Jewish conspiracy, but a conspiracy of some insane Jewish "super-patriots" - Jewish version of Aryan "Nazis". Anti-Semitic groups in America have listed Admiral Rickover and Gen. Curtis LeMay as Jews and part of the "secret Jewish government" to "take over America". This is a smear tactic of dangerous Gentile propagandists. Admiral Rickover with his Polaris missile concept has blocked Russia from immediate future conquest of America. Gen. Curtis LeMay is a great American military leader who with his ruthless leadership of SAC made Russia afraid to invade America or start a "hot" World War III, though unofficially, this "cold war" is World War III in slow motion. These two Jewish leaders by their courage, dedication and patriotism should both be awarded the Congressional Modal of Honor because withshould both be awarded the Congressional Medal of Honor, because without them, America would probably have already been defeated by Russia. Only intensely unjust Americans would want to become "anti-Semitic" and attack all Jews because some have disgraced the Jews the same as some of their forefathers crucified Christ because too many Jews were beginning to follow Christ and evil Jewish leaders felt their power challenged by a reformer - Christ.

Let the Catholic and Protestant churches be warned. "In fact, by going among the religious masses, we are for the first time able to bring our anti-religious ideas to them." - Earl Browder, Communist Party leader for 16 years.

The A.C.I.A. intercepted a Red report mentioning nearly 300 Communists in America had trained as Catholic priests in order to infiltrate the seminaries, publications, textbooks, and other sources of authority within the Roman Catholic Church. The Roman Catholic Church has been successfully deceived into the Communist line on race and a number of other issues. As The Worker (official Communist newspaper), Box 28, Madison Square Station, New York 10, N.Y., said in its February 16, 1965 issue: "....the Roman Catholic Church is not 'monolithic',it has within its forces for 'good' and 'evil', and....it is an international institution that is influenced by the world-wide swing to the Left." The only Catholic publication which completely exposes many key sections of Red strategy is Divine Love (\$1.00 per year), P.O. Box 24, Fresno 7, California.

-2-

We suggest a counter-propaganda program to discredit the atheistic nonsense of the Communists. It is a wise old Jewish saying which goes, "only fools are atheists." The Fatima miracle of 1917 was witnessed by up to 100,000 estimated people. Let Catholics view it as a miracle inspired by heaven. Let hard core Protestants view it as a deceptive miracle of hell to trick Christians into worship of Mary instead of Christ, but even atheists and Jews should be intelligent enough to recognize that when 100,000 people witness the sun apparently dropping from the sky as rain clouds suddenly part at the prophecied hour three peasant children predicted and mud puddles and rain soaked people are suddenly dried out, By God! This is a miracle; and a miracle, whether from heaven or hell, proves the supernatural in life and hence, God. Divine Love has official Vatican material for all interested people who want to study Fatima. And the Christian Press of America, Box 6700, Ft. Davis Sta., Washington, D.C., will send for \$4.00, two scientific reports, complete with photographs, scientific documentation, etc., which positively prove two 20th century miracles of Christianity, one Protestant and one Catholic, which no doctor or scientist in the world can disprove. Only fools are atheists.

The Right Wing in America has two factions. One is against corrupt psuedo-democracy, but not competent, genuine democracy. The other faction is anti-democratic and conspires for national power against the despised "common people" under the slogan, "We want a republic, not a democracy". This latter faction forgets that true democracy in early Greece and in early German tribes produced a far more capable and great race than tyrannies can make out of its "subjects", slaves to the state power. A corrupt form of democracy such as the ancient Roman Republic had led to dictatorship as the only hope to overcome state corruption and imcompetence, and unless we kick corruption and incompetence out of the political system running the U.S. Republic, we will drift into a police state which will finally evolve into a Rightist or Leftist dictatorship.

Because the Left Wing of America is too successfully controlled by Red front men who can't be openly named as this is supposed to be "slander", even if true, a propaganda gimmick must be used, perhaps a little unethically, to beat down the Left Wing. The Left Wing hates to leave men free to live their lives according to their democratic will, so conspires to create a socialist dictatorship where the police state by bayonet and economic blackmail enforce all men to be subjects of the dictatorship, all in the name of "equal rights for all". The Left Wing acts in the name of "democracy", but is intensely anti-democratic in attitude and policy. Use this quote against the Left Wing which boasts of its "liberalism": "....Liberalism....in itself is nothing but the Semitic ideology....", Dr. Oscar Levy, in George Pitt-Rivers, The World Significance of the Russian Revolution, (Oxford, 1920, p. ix. Remember the Russian Revolution was hailed as a victory for "Liberalism"! Crucify Liberalism in America and instead create a democratic Right Wing, pushing the disguised Fascists and true anti-semitics off into a corner of unimportance.

Keys to the Soviet take-over of America are:

1. Use of "Civil Rights" to train the U.S. Republic to act as a police state and have the masses brainwashed into accepting the principles of a police state. Then America can easily slide into a socialist dictatorship.

- 2. Assignment of Red agents to infiltrate the Catholic and Protestant churches to deceive Christian leaders into preaching disguised socialist doctrines such as the overthrow of states rights, only check to prevent the creation of a Federal dictatorship, intermarriage of the races, because Red experts have observed men who lose their loyalty to race end up brainwashed with no lasting convictions or loyalties and are easy marks for the Red take over, and changing the translations of Bibles so Christ is made out to be a socialist in doctrine.
- 3. Use of the anti-religious, contempt of genius and the right to think attitude, and labelling patriotism as "extremism" attitude of American psychiatry which Sigmund Freud said was only a psuedo-science. However, it served as a "new philosophy of life" to discredit "sin" as a religious concept and replace Christianity by smearing it as "insane" when practiced.
- 4. Use of world peace fronts to back up the pacifist Left Wing of America every time the Right Wing is awakening America that it must become vastly stronger so America can't be invaded the present Red date planned for is about 1972 over the Bering Straits.
- 5. Smearing all anti-Communists as "Fascists", "anti-Semitics", "extremist fringe", etc., to keep the public suspicious of anti-Communism so it can't be mobilized to stop the Red conspiracy in America.
- 6. Trying to block the advance of Progressive Judaism which is evolving away from the Orthodox Talmud, which is the secret hate book for many Jewish equivalents of Gentile "anti-Semitics". Statements such as the rabbi teachings were above the Law of Moses and the Prophets enraged Christ, who called this kind of Jew, "Some say they are Jews, but they are of the Synagogue of Satan." Secret Talmud teachings included it was alright for Jews to rape 3 year old Gentile girls, never be bound by any oaths to Gentiles, it "pleased" the Lord to see Gentiles swindled, and any Gentile or Jew exposing to the world the rabid teachings in the Talmud was to be immediately murdered under Talmud Law. No wonder Christ said, "You say your father was Abraham, but your father was the devil." Communism was triggered off by the insane fanaticism taught in the rigid, Orthodox Talmud, which taught hatred, suspicion, and not a "chosen race", but rather a "master race" theory as sickening as Hitler's super Aryan race propaganda.

If Judaism as a whole reforms back to the decent standards the Jewish reformer Christ attempted to show to them and Albert Einstein wrote that Jews should believe in the ideals of Christ, but not the fanatical superstition created afterwards by "meddling priests", there will be no reason for harsh feelings between Gentiles and Jews. If Orthodox Judaism falls before Progressive Judaism, Communism will lose its hard core Jewish fanatics and anti-Semitism will wither for lack of a convincing cause.

7. The book, <u>Guerrilla</u>, by Charles W. Thayer (60¢ paperback) published by Signet Books, 501 Madison Avenue, New/York, New York 10022 is very brilliant and pinpoints the reasons why Communists or anti-Communists win in guerrilla warfare, which is the only shrewd way to fight a "hot" war when nuclear warfare is the only alternative, Otherwise Guerrilla warfare, not democratic elections, have created a powerful Communist Empire. Elections are usually too slow for hot-blooded revolutionaries like Communists.

8. A few years ago, Doctor Milo McDonald, head of the American Education Association, said, "So-called progressive education and Communism are one."

The Communists started at Harvard by introducing Fabian Socialism as the "new economic creed" for America. This sick doctrine that free enterprise must be enslaved by a benevolent socialist state to promote the economy, spread as a sick infection into other colleges across America and into the U.S. Republic when Socialist indoctrinated students rose to Government career posts. Most Government officials have a very Socialist opinion of free enterprise due to their inferior economic education in colleges and this Socialist attitude expresses itself by stagnating free enterprise through incredible, incompetent, excessive Federal regulation and regimentation. One intercepted Communist report said that the Socialist agencies of the U.S. Republic were slowly destroying the desire of the people to create businesses and causing them to lose faith in free enterprise because the Socialists had made it so difficult to create business ventures. In the end, the Federal Socialist agencies would force the gradual conversion of America into a Socialist economic system, then true Communism.

9. The Reds have infiltrated the homo-sexual underworld of Washington, D.C. and use it for spies.

Jewish leadership was responsible for the birth of Communism. Therefore, Jews who wish to wash their hands of the blood of probably 80,000,000 humans, murdered under Communism, more than Hitler, the Roman Empire, and all other tyrannies combined, should become active anti-Communists.

The enclosed quote taken from the London Times, Sunday edition, April 4, 1920, clearly puts the blame for Communism where it is due. Quoting from "Conquer Whole World"" "JEWISH BOLSHEVIK BOASTS - WARSAW (received yesterday). The Polish Press reproduces a document found on the commander of a Bolshevik battalion, Sunder, who was killed in action. This document, written in Yiddish, throws a light on the clandestine Jew organization in Russia. The document is as follows:-

'Secret. -- To the President of the section of the International Jewish Alliance! The hour of our complete triumph approaches. We are on the eve of the conquest of the whole world. Our ancient dreams are being realized. Although until quite recently we were powerless, we are now able to triumph. We have won power in Russia. Our first plans have succeeded, but we must not forget that the Russians, although actually in our power, will never cease to be our mortal enemies.' 'SOW HATRED.'

'We have taken everything from the Russian people. We have reduced to slavery our ancient masters. Against our enemies we must act with every brutality, and without pity. We must get into our power their best chiefs; we must sow hatred amongst the parties, and propagate civil war amongst the workmen and the rural population.'

'We must work with all our forces, but with prudence. Let us everywhere and always proclaim the national policy of our Jewish nation.

Let us fight for our immortal ideal.

'(Signed) Central Committee of the Petrograd Section of the International Jewish Alliance.' - Wireless Press. Sunday Times, 4 Apr.; 1920 --- London Times, 1920.

For those people who want to see actual examples of top secret Communist literature, Brain-Washing (\$1.00), and Red Blueprint for the conquest of America (\$4.95), personally endorsed by Herbert Philbrick of <u>Led Three Lives</u>, are both available from the Christian Press of America, Box 6700, Ft. Davis Sta., Washington, D.C. 20020.

To show America has press censorship so true democracy is impossible to practice since the people must know facts before they can run the Government, we ran four ads which, if fraudulent, would have been prosecuted by the Government. The ads were run under the name of our political group, then Christian States Party, now Christian Party of America, to help hide the existence of a full-fledged intelligence agency. If the ad on May 31, 1961, had been fraudulent, the Post Office would have prosecuted for postal fraud, the Federal Trade Commission for fraudulent advertising, the Justice Dept. (F.B.I.) for slander of the Government, and Congress openly denounce it. Government silence admitted the truth of the ads since newspapers who received these ads (branches of the Associated Press & U.P.1.) refused to investigate or report to the people, but just turned their copies over to the F.B.I. which was nervous as hell about the whole deal.

Quoting from the official book for the Christian Party of America, pages 19 & 20, and then our May 30 document, we tell the people the A.C.I.A. is the champion of truth and at 25¢ per copy from the Christian Press of America, this A.C.I.A. report should be sent to all Americans to awaken them to Communism and how to fight it and win. (Special Note - Timely Tips Magazine, 25¢ per copy, 721 N. Williams St., Paulding, Ohio, has over 10,000 circulation per month and is where our A.C.I.A. ads appeared.) We quote:

This ad we frankly hoped to create trouble with. Maybe the Post Office would try to take it into court that it was mail fraud and then when in court, we proved that the story was true by summoning members of Congress to testify under oath as to whether the story was true, they would have to commit perjury to deny the story, hence we would have it recorded on official public court records that the story of May 31, 1961, was no lie, but the truth. If nothing came from the Post Office to vindicate this story, then we wanted the newspapers to pick up this story and interrogate a highly nervous Congress whether the story was true. The story is true and we will repeat the story of May 31, 1961, until at last the leaders of Government break down their wall of attempted silence and admit before the nation our news release about May 31 is correct. I quote the October, 1963 issue of Timely Tips Mag::

"Early May, 1961, 5 high Russian military commanders were killed in a plane sabotaged by the Russian underground as a test of security. May 27, Alexander Romanov flew off to Moscow as a "tourist" - actually to be set up as Czar of Russian while Kennedy and Khrushchev would be off in Vienna at a "peace conference". May 31, agents of the Christian States Party claimed in a lie that their group had been the ones who blew up the three micro-wave towers near Denver, Colorado just before. This combined with the dual threats received by the F.B.I., Capitol Police, etc., that Government buildings were going to be blown up that night by them and biological warfare would be released against America if Congress did not meet forced a crash session of Congress that night hushed up from the newspapers. At this session, Congress was shown the authentic Declaration of War of Russia (6 pages) signed by Nikita Khrushchev and stolen from the Russian Embassy by a Hungarian Freedom Fighter acting as our spy. The surrender of America would be demanded

in 1962 or 1963, once Red nuclear missiles were in place in Cuba, etc. After seeing this, an enraged Congress came one vote short of giving us the authority to take over command of the U.S. Armed Forces and demand the immediate surrender of the kremlin to Alexander Romanov as Czar or Russia would be wiped off the face of the earth.

Send 25¢ for your copy of our historical 5 page ruse declaration war on May 30 to force the meeting of Congress on May 31. We slashed red tape by emergency means so Soviet intelligence would be caught asleep.

When we win national power in America, we will keep out of the fight, but will finance the ultra-secret Christian Slavic Royal Alliance (10 undergrounds in one) with two billion dollars to overthrow the Iron Curtain. This will be just payment to the Kremlin for violating our Monroe Doctrine in Cuba. Send 25¢ - Christian States Party, P.O. Box 1402, Wheaton, Maryland."

July, 1963 issue: "Last August, 1962, Post Office tried unsuccessfully to outlaw Christian States Party. Last fall, Mr. Henderson, "Comrade General" of the Red Army underground offered up to \$2,000,000 on behalf of the Russian Embassy if one of our men would betray from the Pentagon the defense zone maps of Nato so Russia can invade Nato in 1966. February 3, 1963, Secret Service on behalf of White House had a secret meeting with the Christian States Party. April, Russian Ambassador was tricked into discussing the planned Russian invasion of America in 1966 with one of our undercover agents. A secretary at C.I.A (Central Intelligence Agency of the U.S. Republic) informed us C.I.A. rates us as the deadliest anti-Communist organization in Western world. Send \$2.00 to reserve your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheaton, Naryland."

August, 1963 issue: "After five years of secret investigation by the founders of the Christian States Party, Communist security was smashed by us on January 2, 1963. On that day, "Comrade Girdy" talked in detail to one of our undercover agents who he thought had been sent by his Red superiors at the United Nations. He boasted how he was the 3rd top boss of the Washington Communist cell in the U.S. Republic. He had masterminded the dismissal of Gen. MacArthur from Korea in order to save Red China from potential defeat. He had brought Soviet agents into the psychiatric field so they could kidnap and brainwash deadly anti-Communist witnesses under a legal pretense evading police detection. He had arranged that the Pentagon never informed the American people that Nationalist China had once intercepted the "Peiping Communique of 1949" which was the proposed 1965 invasion of America by 30,000,000 to 50,000,000 Red Chinese soldiers over the Bering Straits armed by Russia and backed up by the Russian Air Force. Support these ads and we will give you a monthly report on Communism in America and abroad. Send \$2.00 to reserve your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheatop, Maryland."

September, 1963 issue: "The Christian States Party has private headquarters in Washington, D.C., and is led by a board of trustees such as an ex-employee of the Wall Street Journal, the head of the War Map Department of the Pentagon during World War II, and one of the exfour top secret soldiers who could have started World War III anytime by merely pressing the button!!

Me could issue 15 reports on Communism so explosive, some Government personnel think the public release of this material could touch off civil demonstrations, but we disagree. We think the extent of national patriotism is so low in America, we believe it would be a waste of time and money to publish our reports we gathered from a 5 year secret investigation of the Communist Party here nationally. What American cares that Genimi Fursa of the Russian Embassy boasted to one of our secret agents that the F.B.I. is the laughing stock of the Reds because it appears to know practically nothing about the four independent Communist Parties in America operating under orders from Red bosses in the United Nations and the Russian Embassy in Washington, D.C.? Or that through the racial strife the Reds initiated in America, they think they could mobilize 74,000 members of a Negro Liberation Army underground to try and overthrow the Government "come the Revolution!"

Do Americans care that the true national debt of America in 1962 was over one trillion dollars (Federal, state, local governments, business loans, mortgages, and personal debts), or that all the businesses in 1962 made an estimated 12 billion less in net profit than the Government took in by taxation, or that America lets up tax pressure on business and labor?

Send \$2.00 for your copy of our explosive literature. Christian States Party, P.O. Box 1402, Wheaton, Maryland."

"As of the morning of May 30, 1961, war has been officially declared against the United States Republic. In preparation for this day, the Russian Imperial Movement has been working on germ warfare and inexpensive means of building small rockets on a mass scale. If the nation is not surrendered within 72 hours after 8:00 P.M. this day in Washington, D.C., the American people are to be attacked with such massive quantities of deadly biological agents as should wipe out 185,000,000 Americans. The reason why such complete annihilation is calculated upon rest on the following developments:

- Perfection of means of complete and satisfactory delivery of biological agents as can be easily launched by the few utterly fanatical agents of the Russian Imperial Movement.
- 2. Development of a very virulent mold which when mass spread will rapidly kill most plant life (most farm crops) and turn rancid most food products which contain any moisture. Part of the pioneer efforts which made possible this development was under the brilliant institute research of Professor-Doctor Seigo Hosoya, many years ago in Japan. One of his scientific abstracts must have fallen into the hands of some naive G.I. in Japan or non-interested American scientist. In any case, when the Japanese manuscript laid in almost undisturbed dust in a secondhand American bookstore, one of the Imperialists accidently found it, became curious what the Japanese said, bought it, and by this means, the most advanced biological research techniques came into possession of the Russian Imperial Movement.
- 3. Mass breeding of the Goliath Snail was started, taking sample lots from a small area in Hawaii to start the biological stockpile. These snails are resistant to every kind of insecticide, breed in tremendous numbers, and possess the fiercest appetite of any insects for devouring every plant including all crops. The only hope to save the national farmland from them would be mass organized efforts at burning down all infected farm sections across America. But if the organizational power of the nation is destroyed through mass panic and chaos as numerous deadly diseases are released, these snails will multiply until every American dies of starvation. Do not forget the special mold will also be released at this time, destroying crops and rotting much of the food in grocery stores except for unopened canned goods and certain dry foods.
- 4. It is to remain secret what viruses, bacteria, rickettsia, perfect fungi, spirochetes, amebas, Leishman-Donovan bodies, trypanosomes, needle-worms (and maybe some other biological species you have never heard of before) are to be used, but before such utter and complete mass attack, your entire national health set-up will soon collapse. This means that your nation and people will vanish from the face of the earth. No nations will dare try help you as we possess an international network that has been in operation for 20 years now and exists in such places as Spain, France, Germany, Britain, and Latin America.

We, the Russian Imperial Movement, will be restored to Russia either by forcing your surrender and using your military might to join with our forces in Russia to overthrow the Communist Regime, or else, we will use your complete death as a nation as a military example of what will happen to Russia if we are not promptly restored the national government.

We made a mistake once. We allowed the Communists to live. We should have slain every one of them like cattle. Within 3 years they plan to either overthrow the world or destroy it if it resists. We allowed a Frankenstein to be created. Either we destroy it or it destroys mankind. If you are so fanatical a nation as to resist us, we shall have no alternative, but without hesitation to destroy America.

We cannot regain the upper hand in Russia without your strength, and yet once we beat you and seize control of your nation, we have no alternative but to see that your republic is never restored. Your republic lies about U-2 flights, makes mockery of promises for liberation of Poland and Hungary (which once took you seriously), and is hostile to any existing governments which cross purposes with you (for example, you secretly supported Castro against Batista and now support anti-Castro forces against Castro.) Like a typical politician, you claim you have a code of honor, yet when profitable, you quickly change stands and sides. You have proven to the entire world you are cheap. You care for nothing but your own profit -- and your foreign aid is never given except for military reasons (keep the Reds out and your ally leader in power in every nation).

Your brand of fanatical republicanism and the brand of fanatical socialism called Communism are both going to be stopped right now before you destroy the world. You and the Red Russian Regime have no right to commit the rest of mankind to future death because you are both political fanatics.

The Czarist elements have tolerated your slanders about their "tyranny" long enough. We stood aside and gave you and the Communists a chance to prove what you claimed. You claimed economic wonders -- and created fantastic taxation and reoccurring depressions, while the Communists claimed utopian freedom for all -- and created the most oppressive regime in all human history.

These madmen political elements can no longer be tolerated. These wildeyed elements are going to be put into prison chains starting now! The Russian Czarist Throne will protect business, stand for human freedom, and create a sound social system throughout. The only way the mad elements created in Russia and America can be kept from preparing to destroy each other in massive world wars is going to be forced integration of the two races into one mighty, great nation and race beyond anything ever seen in history before.

In order to reduce your worry as to whether you will be a mere province of Russia, the permanent Prime Minister of the Czarist Throne will be an American who has proved quite competent, spent 11 years in military academies, and has tried to gain every political freedom and opportunity possible for his America. The Czar of Russia tolerates no rebellion, but admires the nerve of this person. This American was contacted by two of my Imperial agents because informed sources in the Polish liberation movement claimed he had inherited a very brilliant 1.Q. from his mother whose 1.Q. was privately rated among the very top in America.

He has his instructions. He knows what he must do in three days with only the help of his one assistant. He has pleaded that no massive call to revolution will be needed. He has begged that America be

spared the experience of massive bloodshed. I, the Czar of Russia, will give him from 10:00 A.M. to 8:00 P.M. on May 30 to gain the signed surrender of the United States Republic. If he does not gain this by 8:00 P.M., at 10:00 P.M. the call for massive national revolution will sound across America. If I have to go that far to gain my victory, I shall then have to depose him of his position as Prime Minister for the Russian Imperial Movement, and will appoint a White Russian to his position whom I know can be trusted to carry out his mission. Of course, this would mean that no American voice would be tolerated near the Russian Czarist Throne after that.

I am trying to be charitable about this situation, but do not resist or I shall forget my charity and possess permanent wrath towards the Americans until the day I die.

This American will have three days by his lonesome to prove he can handle a national situation as the Imperial Prime Minister or I will change my appointment and make all of my new officials men whose loyalty and ability have already been fully proven to me for some time. After three days, I will start to send key Imperialists to take over major positions in the American Government and coordinate our resources with that of the Imperialists in Russia.

I have deliberately told this American certain things while keeping him totally ignorant of other aspects of the Russian Imperial Movement. If you tried to stop the Russian Imperial Movement, he is too ignorant of the key names and you would not possess the time as my political friends will immediately inform me of any attempted conspiracy on his or your part.

Good-bye. Make your national decision now and forever stand by it.

On behalf of my loyal followers in the Russian Imperial Movement,

The real Czar of Russia

This was a ruse declaration of war to create an emergency session of Congress where a real Declaration of War of Nikita Khrushchev (6 pages) could be shown to Congress at the ideal time of May 31, to smash the Iron Curtin and end the Cold War. Sam Rayburn and some other key American leaders were secretly on our side from the beginning on, of this plot to prevent the Cold War from becoming a Communist victory or future nuclear shooting match. This ruse declaration had to sound like it authentically came from a dedicated, ruthless, royalist underground, hence the strong anti-Republic propaganda. If it didn't sound authentic it would have prematurely been recognized as a ruse and spoiled the timing of the plan.

Dear Dade:

I have good news for you. After renaming our political movement the Christian Party of America, I lined up enough Rightist books, pamphlets, and magazines to give our membership access to nearly 200 Rightist publications. I also got possession of a Communist training manual called "Brain-Washing" to sell to our members at \$1.00 a copy the secret Communist plan to turn American psychiatry into a propaganda arm of the Communist Party and a disguised branch of the Soviet Secret Police operating in america under the legal camouflage of the medical field. We knew about these activities for a long time after our investigation by the American counter Intelligence agency, but now I have the personal statement of an ex-communist Party leader admitting these activities had been going on in America and a copy of the secret med text.

My ads are now starting to appear in a number of magazines and newspapers and will give us the national publicity we need to win the nation to our standards of Christian Nationalism. Rome wasn't built in a day, but as David L. Stevens said recently to me, he is confident we will become not only the largest Third Party in America by 1968, but the only major party in America sometime between 1968 to 1978 at the very longest. David L. Stevens is pretty smart as proven by the meteoric rise he has shown in just one year, rising from the lowest man to one of the top brass in the fairly large advertising firm he works for.

Since you know by heart the contents of our political manual Our Struggle For Greatness, isn't it true that when you were in Washington, D. C. working with me and others in activities for the American Counter Intelligence Agency that we both were dating young secretaries from the F.B.I., C.I.A., etc? And isn't it true that some F.B.I. secretaries told you they were familiar with the contents of our political manual and had seen confidential F.B.I. files proving the story of the prophecy of 1958 was true, though they stated it was utterly incredible that this thing could happen? And isn't it true that you have seen the confidential Jefferson Davis document referred to in our literature, talked with another branch of the descendant Jefferson Davis family who stated they had orally endorsed the original document, and that you have seen the secret letter of diplomatic recognition that is mentioned?

If true, sign below and add date.
